

20260902_PA_DAY

Wednesday, September 2, 2026

Target Audience: All Staff – Elementary and Secondary

Topics: Keeping Schools Safe

Length: Half day

Presenter(s)/Facilitator(s): Holland Bloorview Nurses and Bloorview Staff

Description: Educators will engage in skills training regarding infection control and supporting students with prevalent medical conditions pertinent to our student body. Training includes theory and hands on training including but not limited to g-tubes, epi-pens, inhalers and catheters.

Target Audience: All Staff - Elementary and Secondary

Length: Half day

Topics: Special Education and Individual Education Plans

Presenter(s)/Facilitator(s): Bloorview Staff and Holland Bloorview Therapists

Description: School based teams will review the learning, medical and equipment needs of the incoming students to begin to create and refine their individual education plans and care plans. Staff will explore the new curricula and work together to develop plans to accommodate and modify expectations to meet the needs of the students in our specialized setting.
